ANNOUNCES
EXAMINATION TO ESTABLISH ELIGIBLE LISTS

=====

CONTINUOUS RECRUITMENT UNTIL NEEDS ARE MET

Examination Title: **CIVIL ENGINEER IV**

Examination Numbers:

0304-99 – Open – Includes all interested individuals including members of the general public.

Starting Salary:

\$3,515.00 - \$5,004 per month (SR-24)

Duties Summary:

Performs difficult professional engineering work in the design, construction, maintenance and operation of civil engineering projects; prepares designs, plans, specifications, estimates and reports; and performs other related duties as required.

Minimum Requirements: Qualifying work experiences are credited based on a 40-hour workweek.

1. Graduation from an accredited college or university with major work in civil engineering and
2. Three (3) years of professional civil engineering experience; or any equivalent combination of training and experience.

License Requirement:

1. Registration as a professional engineer in the State of Hawaii.

Required Forms and Documentation: (Present at time of filing or attach a legible copy of the same).

1. Evidence of appropriate training (e.g., official transcript or diploma) to be given credit for education. A legible photocopy will be accepted; however, the Department of Personnel Services reserves the right to request an official copy.
2. Evidence of registration as a professional engineer in the State of Hawaii.
3. Supplement to the application for Civil Engineer

Examination:

The examination may consist of a written test, training and experience evaluation or any other accepted examining technique. **Be certain to list all pertinent training and experience, as this may be important in determining your examination score in a training and experience evaluation.** Candidates may be examined for their knowledge of civil engineering principles and practices; engineering mathematics, engineering mechanics and the mechanics of materials; hydraulic, hydrologic, structural, mechanical, electrical and sanitary engineering principles and practices to the extent that these apply to the general field of civil engineering; principles and practices of supervision; the ability to do civil engineering design work or supervise construction and inspection activities; analyze stresses and determine the required foundations and structural features; supervise a small group of subordinate professional or sub-professional employees; prepare engineering and inspection reports.

HOW TO APPLY:

Return all completed forms to the County of Kauai, Department of Personnel Services, 4444 Rice Street, Ste. 140, Lihue, HI 96766, (808) 241-6595, Text Relay (hearing impaired) users 643-8833. **Your application may be rejected if the required documentation as identified above, under "Required Forms and Documentation" is not submitted at the time of application.**

NOTE: Persons who are selected for employment may be required to pass a pre-employment physical at their own expense and a drug screening test.
